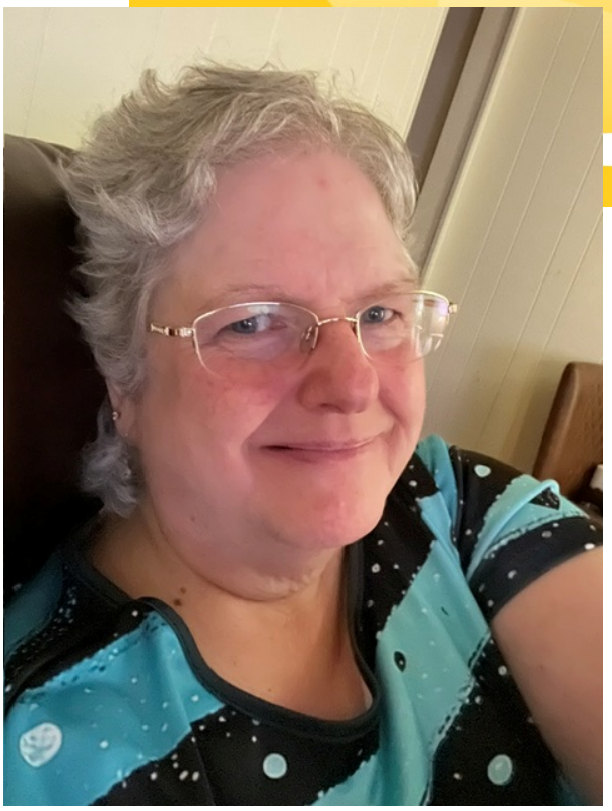
CENTRAL STATE EMPLOYEE SPOTLIGHT

This month we want to shine our spotlight on



Nora Connelly

Nora has been with us for 10 years, she is looking forward retiring early next year! At home Nora enjoys cross stitch, quilting, and rocking candy crush, she's on level 20,000! In the fall Nora enjoys watching the colors change, doesn't have a favorite sport but when her husband's around usually have football and hockey on. She loves Italian but loves going to Lucky's. Nora loves the Jumanji movies and is looking forward to when the new one comes out.

For our Character Spotlight, we would like to highlight Robert Ramsey from our Sloan home. Robert demonstrated exceptional dedication and advocacy in protecting our residents home during a difficult situation. He was willing to stand up for what's right and prioritize safety when it mattered most. His actions reflect integrity, accountability, and compassion during challenging circumstances. We at Central State are proud to have staff like Robert.
